

Mission Care has had the privilege of providing residential and nursing care to vulnerable adults in South London for over 110 years. Today we have five homes, four in the London Borough of Bromley, and one in Southwark and pride ourselves on providing exceptional person-centered care.

The Pastoral Team provides pastoral support primarily to residents in our homes, but also to relatives and staff. We are looking for a Pastoral Officer to assist us in the practical provision of pastoral care. The role also includes supporting and managing a member of staff.

This is an exciting opportunity for anyone interested in serving older people and sharing the hope of Christ in a nursing home context.

There is an occupational requirement for the position to be held by an evangelical Christian, in good standing with their local church, who fully accepts and lives by Mission Care's statement of faith.

Previous pastoral experience is preferable.
